Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In accordance with 37 C.F.R. §1.48(a), the undersigned hereby submits the following statement.

The above-identified patent application was filed on September 11, 2000. The application is generally directed to an environment-controlled transport unit. At the time the application was filed, our patent attorneys were not aware that I was an inventor of the claimed invention. This error arose without deceptive intention on my part.

I hereby swear that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
